# WHITECAPS GAME NOTES

## GAME NOTES

- This is the second game of a two-game total-goal first round playoff series. There is no “away goals” rule in effect. If Portland wins tonight by one goal, then that will tie the series on goals, and two 15 minutes of series extra-time will be played in its entirety (ie not sudden death). If the series remains tied, then it will be decided by penalty kicks.
- The three previous playoff meetings between these two teams (Friday's game and the first round of the 2002 playoffs), all ended with Vancouver winning 1-0.
- This is the 33rd meeting between these two teams with Vancouver holding a 17-7-8 lead. The Timbers hold the edge in Portland at 6-5-5. The Timbers won this year's regular series with, a 2-1 win and 0-0 tie in Portland and a 0-0 tie in Vancouver.
- The Whitecaps offence ranked tenth in the league at 0.96 goals per game, while the defence was fourth best at 0.86. Portland's attack tied for the league's fifth best at 1.14, while their defence lead the league at just 0.64.
